Halls, where we stood,  
and laughed  
and thought  
Where a smile meant "hello"  
and sometimes more.  
Where day by day  
we came and found ourselves  
by Taking Time Together . . .

Autumn . . .  
crisp, cold air,  
mounds of colorful leaves,  
strangers became acquaintances,  
acquaintances became friends,  
and friendships grew,  
Taking Time Together . . .

Being a niner . . .  
 pep assemblies, games,  
 red and gold,  
 And not being number 1 everytime,  
 but trying hard.  
 And cheering and booing,  
 and winning,  
 and losing,  
 And Taking Time Together . . .

Taking time together  
Meeting, planning, creating,  
rehearsals till 2,  
missing cues,  
backstage antics.  
This is what "Fiddler" was all  
about. Pooling efforts and  
talents in dramatic endeavor,  
the Drama Club presented  
a play which was a  
sheer delight to see.

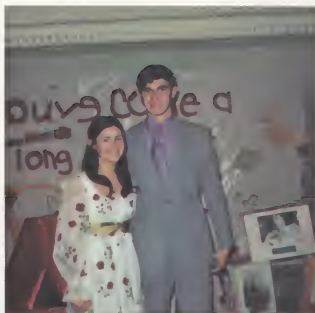

Remember the happy times,  
all too short,  
and too quickly gone,  
When, among friends,  
we were carefree  
and smiling, and joyful  
Taking Time Together . . .

Taking Time Together . . .  
 dancing,  
 laughing,  
 Enjoying every moment,  
 Knowing someone cares,  
 giving,  
 taking,  
 loving . . .

Suddenly, the future of our past  
is the present.  
Familiar faces, well-traveled  
halls must be replaced  
with faces and halls  
of the future.  
Reflections of what has been  
fill our minds  
with hope, dreams, and wonder,  
knowing that all has come from  
Taking Time Together . . .

## Seniors Create A New Tradition

Canterbury Tales, the 1972 Senior Prom, delighted a record number of couples on April 28 in Michigan City. This marks the first year the Senior Prom has ever been held away from school. The couples dined at Howard Johnsons before arriving at the lavishly decorated Canterbury Theater. The setting was perfect for the music of the Crystaltones and Feast. The evening was an enjoyable and memorable one for all.

# ORGANIZATIONS

# Student Council Initiates Changes

This year the Student Council achieved a degree of success never attained in previous years. Under the enthusiastic leadership of Frank and Beth, student attitudes were swayed from apathy towards involvement. Besides traditional Council activities such as dances, Armageddon, Homecoming, etc., the '71-'72 Council initiated numerous new ideas. Some of this year's "firsts" were: the first Rock and Roll Revival, Movie Night, Red and Gold Day, Bike Hike for St. Jude's Hospital, and meetings in the Library. This was also the first year the Student Council attended faculty meetings, opened the Council room during lunch, held frequent meetings with the administration, and received the right for girls to wear pants at the Homecoming sock hop.

## Fine Arts Day Relives the Thirties

The Cardinal Flahiff Chapter of the National Honor Society is Andean's branch of this nationwide organization which commends junior and senior high school students who display the qualities of scholarship, leadership, character and service in the schools' life. Twice a year an appointed faculty committee selects upperclassmen that are felt to be worthy of this honor.

The Society, although it is not intended to be an active service organization, is annually responsible for Fine Arts Day.

This year, the thirties were revived in the program entitled "Souplines and Queues or Yes, We have No Bananas."

Highlights of the program were song and dance numbers from that decade, and numerous readings of and about the thirties. Also sponsored by NHS this year was a tutoring program to help the school age boys from Hoosier Boys Town.

## Booster Club and GAA Get the Girls Involved

This year as in past years both Booster Club and the Girls Athletic Association have involved the girls in school activities. Along with sponsoring the annual "Turnabout" dance, GAA has organized various girls sports, such as basketball, track, volleyball, and softball. Booster Club does a great deal for team spirit by painting signs for the Niners and their games. Both of these clubs generate spirit and are an essential part of our school.

# Drama and Forensics Clubs Are an Outlet for Talent

This year the Drama Club has presented two excellent plays: "Fiddler on the Roof" and "Spoon River Anthology." These two plays harnessed the tremendous talent in Andean and presented it for all to see. With the help of Fr. Moffatt and Mr. Williams as directors, Mr. Chilian as music director, and Sister Gilmary as costume director, both plays were very successful. In addition to the

production of these two plays, the Drama Club co-sponsored with the National Honor Society a trip to Chicago to see the play "1776" one of the productions to be staged next year.

Forensics', too, has captured the talents of those at Andean who have the gift of speech.

Members have competed in numerous contests in the area.

# S.O.A.P. Helps Better Our Environment

Students Organized Against Pollution has done a tremendous job this year in cleaning up the environment around Andrean and the city of Gary as well. SOAP has sponsored numerous glass and paper drives to clean up the streets and to raise money. This club has great student support and has really done a lot for both the school and the city.

UPPER LEFT: SOAP Officers: Jean Milchak, Mary Ramirez, Jim Adams, Marie Petrites.

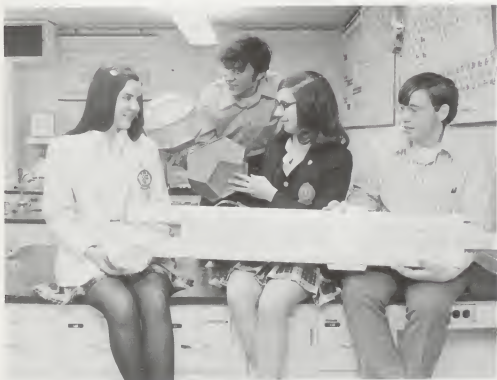

## Business and Math Clubs Prepare Careers

Both the Business and Math Clubs' have been active this year. The Business Club, for those who will be entering business careers, sponsored a trip to Chicago to observe many business establishments. The Math Club, too, sponsored an excursion to Chicago, to see the Museum of Science and Industry.

**UPPER RIGHT:** The Officers of the Business Club discuss plans for the forthcoming trip to Chicago. **LOWER RIGHT:** Math Club Officers examine the use of the slide rule during a meeting.

# Language Clubs Give Insight Into Foreign Cultures

Andean has two active language clubs, The French club and the Spanish club. This year the French club has been very active in sponsoring several activities to give insight into French culture. Some of these activities include a crepe bake, and an excursion to the Museum of Science and Industry to see the display of "Christmas Around the World." In April, the

club sponsored a trip for members to Canada to learn about life in a country that speaks a language other than our own.

The Spanish Club has done a lot also. They sponsored the National Spanish Contest at Andean, and there were many winners here.

## Communicating and Understanding

# Voices of the Students Are Heard Through the

This year the Acropolis, the school newspaper, and the Decussata, the yearbook, have been a voice for the students. Editorials, Feature stories, and cartoons both inform and entertain us as we read the Acropolis monthly. Memories are revived in August as we receive our new Decussata, which acts as a mirror to look back on our previous school year. Each of these organizations is an essential part of Andean life and one no student can do without.

# Y.A.R.C., Human Relations Club, and Black Student

YARC, the youth group organized to help retarded children is very active and prevalent at Andean. Along with having parties at Christmas and Easter for the children, YARC also held a candy sale to raise money for them. In May there was also the annual "Walk for the Retarded" in which 5,000

students and young adults took part.

The Human Relations Club and the Black Student Union are relatively new clubs at Andean, organized to better relations between people both at Andean and all of Gary.

## PAC Interests Students in Politics; Chess Club Competes

PAC (Political Action Club) is also one of the newer clubs at Andrean. # ATHLETICS

# Gridders Fall Short of Expectations

This season the Niner Football Squad provided its fans with moments of both great excitement and enthusiasm together with disappointment. The opening game of the season offered a preview of what was to follow by a 0-0 deadlock with EC Roosevelt. A victory over longtime rival Hobart, a crushing of Mann, and a win over NWC threat Gary Roosevelt provided hope for the season strengthened by a shutout of Wallace. Dreams of a fourth consecutive NWC championship were destroyed by late season losses to Emerson and West Side and a tie with Wirt. A victory over newly found rival Chesterton offered some optimism during this season ending

slump. The strength of this year's team laid in its outstanding defense lead by All-State Tackle Bob Stark which repeatedly stymied the opposition, allowing only 7.2 points per game. ↓ . High-scoring West Side was limited to only 13 points. Except for the 59 points scored against Mann, the offense did not offer much support to the defense's superb effort. The kicking game of Tom Collins offered a new dimension to the offensive attack spearheaded by the running of Tom Goetz and Kevin Mirich. Coaches Crnkovich and Billick worked hard to put the best of Andrean on the field. Above all else, hope remains for the next season.

# Frosh Continue Winning Tradition

The Frosh of 1971 continued the winning tradition as they became the third consecutive freshman team to go undefeated posting a 9-0 record. Coaches Father Men-

ner and Mr. Haloc have provided a strong basis for the future winning seasons as they blasted opponents on both offense and defense.

## Reserves Offer Promise For Future

The Reserves had another excellent season following their undefeated freshman year, allowing only 4 touchdowns compared to last year's one. The team's only defeat came at the hands of Gary Roosevelt in a grueling 6-0

game. Hopefully some of the explosive offense of the reserves will be incorporated into the varsity next year. Coach Bennett prepared the team well as evidenced by the fine 9-1 record which resulted.

# Cagers Provide Season Ending Excitement

Despite a slow start and a difficult schedule the Andrean cagers rallied to post a 13-10 mark. After early disheartening losses the team played .500 ball until losing highly rated Clark and Hobart. The team won it's next 6 games including 2 sectional games before bowing to eventual state-runnerup West Side. The fine play of the squad was lead by Bob Mandula and Mike Maretich with averages of 24 and 19 pts. Both set all-time Andrean records, Mandula with the most points and Maretich for assists. Joe Sullivan led the team in rebounding. Coach Rogavich is to be congratulated for his part in producing this fine squad.

## Reserves Finish With 9-10 Mark

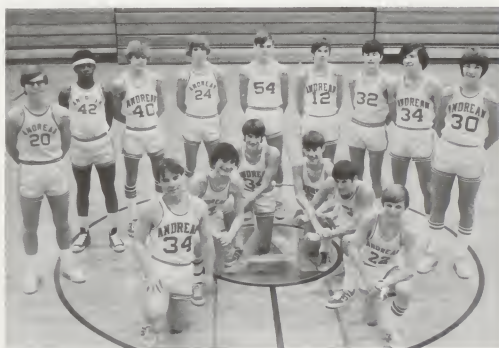

Coach Chelap's reserves posted a 9-10 record despite many injuries and other problems. Ray Dorulla lead the scoring while Mike Manno was a valuable asset as a playmaker. Tom Bukur hauled in the most rebounds. Rich Bagigrovich offers optimism by his excellent play on both Frosh and Reserve teams. The Frosh "A" team dipped to 7-10 after the loss of Bagigrovich to the reserves.

# Netters Continue Success

Coach Jerry Mazur's netters completed this season with a 10-3 record, giving Andean tennis teams a composite mark of 30-7 in the last 3 years, along with 3 consecutive NWC championships. This season, the team reached a new high by being sectional co-champs. Seniors Jim Culveyhouse, Tom Pruzin, Ed Badylak, and Pat Malloy had much to do with this continued success. Charles Fitzhugh established himself as one of the premier players in the area. Juniors Bruce Bihlman and Ted Itin, along with Soph Ben Milbrath, offer reason for optimism for next year. All considered, tennis has been one of the most successful sports at Andean.

## Baseball Team Posts 9-2 Record

The 1972 Baseball team concluded another fine season in Andrean history with a 9-2 record. Coaches Crnkovich and Coggins are to be congratulated on producing a NWC Championship Ball Club. This fine effort by the 59er's was spearheaded by the pitching performances of Bill Kaminski, perhaps one of the greatest in Andrean history. His battery mate Bob St. Germain, shortstop Mike Maretich, second baseman Ed Badylak, Ron Seibal, and Tom Cairns led the hitting attack.

# Golfers Are Best in Andread's History

The season of the 1972 Golf Team was filled with many highlights and records, the greatest of which was their 25-1 record, making them the best set of golfers in Andread's history. Outstanding performances in the various invitational against the best teams in the state in fields consisting of as much as 15 teams marked them easily as the best in Northwest Indiana. Andread was the first area team to win the Laporte Inv. since 1943. They set a dual meet school record 149 at Indian Ridge against Highland. In the city meet they shot an astounding record 293. Jim Culveyhouse's 68 in that meet was equally remarkable. Coach Mike Chelap can be proud that he has helped to develop this superb unit that has shown a mark of excellence.

# Harriers Show Winning Form

Andrean, usually not remembered for cross country, produced a respectable team this year under Coach Vamos. This sport is not as glamorous as others and requires hours of patient practice. One of the more larger groups went out for the sport this past fall. With returning Juniors M. Glinski, M. Verdeyen, and G. Walton, next year's team promises to be a good one.

# Wrestlers Prove Formidable With Success

Coach John Bennett molded this year's squad into a fine unit that posted a 7-3-1 record. Ralph Iatrola and Joe Lessard provided the impetus of the 59er's winning efforts by qualifying for the regionals. After five opening wins, the team lost narrowly to West Side 21-18. After midseason problems, the team recovered with a victory over Wirt, and then lost by a disappointing margin to Hammond Morton. Even though many seniors will be lost for next year, the juniors and sophomores on the varsity along with those on the reserve should form a respectable team for the following year.

# Trackmen Post 5-4 Record; 4-2 Conference

Andean trackmen finished a respectable 3rd in the Northwest Conf. behind highly touted Roosevelt and Westside under coach Pete Billick. Jim Fallace, Joe Sullivan and Joe Lessard qualified for the Regionals with Fallace winning the 440 yd. dash in the sectionals. Sullivan set a school record in the shot put of 52'2". In Rensselaer, Andean needed one more relay win to upset undefeated Highland. D. Garner, J. Fallace, D. Parlook, and R. Hogan formed an excellent relay team. Shotputting was an added extra while J. Vahary was our pole-vaulter. Many juniors and the Frosh team (4-4) offer hope for the future.

## Father Klein Directs Intramurals Successfully

Under the successful direction of Father Klein, intramural basketball was conducted along with the new addition of football. The seniors muscled their way to the football championship, while Homeroom 104 took the junior championship and HR 220 was

runner-up in the playoffs. However in basketball the senior's luck did not hold as HR 220 featuring C. Wilson, D. Smith, T. Vaughan, and J. Wiltshire upset the senior HR 223 for the championship. The sophomore champs came from HR 212.

# SENIORS

# Seniors Open Path to Change

Saying farewell is never easy as any Senior can testify. Although anxious for the future, the Class of 1972 prepares to leave Andean cherishing many memories. Being Armageddon champs for three years, creating outstanding homecoming floats, and initiating the open lunch program are a few things that made our class stand out. Creativity and enthusiasm marked the unforgettable "Atlantis" as Junior year was climaxed. Senior year premiered as many Seniors displayed their talent in "Fiddler on the Roof". Tradition was buried as "Canterbury Tales" gave new dimensions to the Senior Prom. So as we look ahead to the future with confidence, we also look back to the past with love, as four more years of reality become memory.
